

# ELCIA TECH SUMMIT 2024

HUMANS, MACHINES & MEANING

26 July 2024

9 AM to 5 PM

The Oterra,  
Electronics City  
Bengaluru

Building on our legacy of fostering innovation, collaboration, and driving technological advancement, the ELCIA Tech Summit is designed to be a dynamic platform that explores disruptive technologies, deep-dive into discussions on how future technologies are changing the way we manufacture and live, the way to integrate and simplify our existing processes with innovative tech with eye on enhanced productivity, and adapt to the pace of change.

The Summit promises to be an interactive confluence of ideas and innovations, between thought leaders, industry experts, policymakers, and innovators from across the globe.

# Agenda

ELCIA Tech Summit 2024 is an 8-hour-pack of informative sessions by tech celebrities, lively panel discussions, and impressive display of cutting edge technologies. Dive deep into the world of emerging technologies driving industries, and leverage them to fuel efficiency.
